MEYER SOUND, L'ACOUSTIC, EAW, ADAMSON, TURBOSOUND, MARTIN AUDIO, EV, NEXO, COMMUNITI, d&b.

STAGE: min. 6m x4m

REQUIRED:

Bass amplifier.

The best would be AER Basic Performer (this is the one I am always using), but if it is not possible please try to find some Galien&Kruger (but not the smallest combo), Eden, SWR, Ashdown.

I would rather not to play Peavey or Hartke.

1x Snare drum (optimally 5 1/2" x 12", wood)

1x High snare drum stand

1x Keyboard Stand X

2x Chair without armrests

3x Cymbal Stands

1x extra big mic stand

Please do not use stroboscope!!!
